

1. PRINT OUT AND STICK ONTO A SHEET OF CARD (OLD CEREAL BOXES ARE GREAT!)  
(Reduce scale on printer for smaller mask).
2. CAREFULLY CUT AROUND OUTLINE, AN ADULT MAY NEED TO HELP WITH FIDDLY BITS!
3. CUT OUT AND ATTACH FINS TO EITHER SIDE..
4. GLUE HANDLE TO ONE SIDE WITH LOLLY STICK, OR STICK A FEW STRIPS OF CARD TOGETHER UNTIL STURDY ENOUGH TO MAKE HANDLE.

\*\*Please take care as cardboard and paper edges can still be sharp and cause paper cuts or scratches

#### TOP TIP

Why not put holes in sides and hang on ribbon or string for cute wall hanging, full set of animals to collect!
